

DOMINATOR™ EASYROLLER

YOUR 'GO TO' ROLLING DOOR OPENER

Our flagship rolling door opener, the Dominator EasyRoller™ features a slim profile, reliability, security and convenience. It is compatible with our Auto-Ki Smart Phone Control Kit and the slim-fit chassis requires as little as 1.6 inch side room for installation.

The Dominator EasyRoller™ incorporates bright LED courtesy lighting. The opener comes with Soft Start/ Soft Stop operation, advanced door profiling and obstruction sensing for secure and safe operation. The Service Indicator lets you know when it is time to service your door.

WHAT'S IN THE BOX:

Opener with LED
Courtesy Light

Easy Access Transmitter and
Two TrioCode™ 128 Remote Controls

Wired Safety Beams

AT A GLANCE:

SECURE & RELIABLE TRANSMITTERS

The TrioCode 128 remote control ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol (with trillions upon trillions of random codes*) for the ultimate in security.

KEY FEATURES

- 600N DC Motor
- Soft Start / Soft Close
- Slim fit design
- LED Courtesy Light
- Intelligent Safety System

INTELLIGENT SAFETY SYSTEM (ISS)

If contact is made with an obstruction while moving, the opener either stops or reverses the door to reduce the risk of injury or property damage.

SOFT START / SOFT CLOSE

The Soft Start / Soft Close feature ramps speed up and down at the start and end of each cycle, therefore reducing stress on the door and opener.

DOMINATOR™ EASYROLLER
